

LISTA ROȘIE A PLANTELOR VASCULARE DIN MOLDOVA

I. SÂRBU¹ și T. CHIFU²

Lucrare prezentată la "Zilele academice ieșene", 5 octombrie 2001

RED LIST OF VASCULAR PLANT FROM MOLDAVIA. There are listed those vascular plants from Moldavia (Romania) which are in different degrees of threat. For every species there is indicated the county where it is present, the category of threaten and in figures, there is showed if a taxa could be find in a certain natural reserve.

Key words: Red list.
